ULEXITE

A photograph of a piece of Ulexite mineral. The mineral is a light tan color with some darker brown spots. It has an irregular, somewhat triangular shape with jagged edges. The word "ULEXITE" is printed in a dark, serif, all-caps font across the top of the mineral. The background is a plain, light-colored surface.

THIS IS NOT
ULEXITE

A photograph of a piece of Ulexite mineral. The mineral is a light tan color with some darker brown spots. It has an irregular, somewhat triangular shape with jagged edges. The words "THIS IS NOT" are printed in a dark, serif, all-caps font across the top, and "ULEXITE" is printed in the same font across the bottom. The background is a plain, light-colored surface.
